

Invitation to share ideas for the new Marcham Centre logo

in the Baptist Hall
Saturday 28th September 12.00 to 17.00
Sunday 29th September 12.00 to 17.00

Calling all budding graphic designers and marketers

The new Marcham Centre needs a logo.

The new Marcham Centre needs a logo. The logo will provide a visual *identity* that will enable us to promote the hall and sports facilities in the local area.

We invite you to share your ideas with us. You can do this at the Art Exhibition which will be in the Baptist Hall during the Great MaD Weekend (opening times above).

We are looking for a *visual design* using words, or not, that gives out a message that says what the new Marcham Centre is all about, who it is for, in a simple clear way. This seems a tall order, but sometimes 'less is more'.

Please note that the final decision about logo and visual identity of the new Marcham Centre will be made by the board of Trustees.

And bring along your ideas for a strapline.

Perhaps you have an idea for a strapline to go with the logo?
